CADDO PARISH PUBLIC SCHOOLS

Family Technology Survey

Please complete and return this survey to your child's school before **Friday, August 28, 2020**. It is essential that we have an accurate count of families that need technology and reliable internet service in order for students to be successful in a virtual learning model. One form must be completed for every child enrolled in Caddo Parish Schools. If you have multiple students in your home each child will need their own device in order to participate fully in a virtual/online model.
